

## US 12 (WIS 20 to WIS 67/US 12 Split)

### Weekly Construction Update

---

---

**Construction operations are nearing completion. We anticipate opening US-12 next week Tuesday (11/19) Evening. At this time, the signals will NOT be functioning. Final signal inspections are expected to take place after Tuesday's work is complete.**

#### **Current Construction Operations:**

- Signal equipment installation will be ongoing the rest of this week, into early next week.
- Manhole work near Sterlingworth Dr. is complete.

#### **Upcoming Construction Operations (Week of 11/18/2024):**

- Traffic signal equipment will be installed, connected, and finished.
- Inspections for traffic signal equipment are anticipated to take place.
- Many other finishing items will be ongoing in the meantime, please be aware of equipment and personnel working on these items.
  - Please move over or slow down, stay attentive and use caution; having traffic next to equipment and workers is dangerous.

#### **Traffic Updates:**

- US 12 is closed to through traffic (residents and business will have access), a detour route utilizing WIS 20, I-43 and WIS 67 is in place.
- No traffic will be allowed to cross the Sugar Creek Bridge for the duration of this project (Located between County A and County ES.)
- Visit the WisDOT 511 Traffic Website to stay up to date - <https://projects.511wi.gov/12elkhorn/>

**All work is weather dependent and subject to change.**
